2016-2017  
Prospectus

## Honilands College

Welcome to Honilands College! This is one of the most exciting developments in our curriculum because it allows you to select your own learning opportunities, through a series of courses that will run every Wednesday afternoon. We have incorporated our **Learning to Learn Skills** within each of the courses. Look out for **Reflective, Relationships, Resilience, Resourceful, Risk Taking and Responsibility**. Children will develop these skills in each of the courses. You never know, you may find skills that you never knew you had!

During the academic year, you will study 6 courses. Courses will be run for five or six weeks and at the end of each course you will be accredited against a series of pre planned skills that you will be able to use in your future learning.

Over the course of the year you will develop a portfolio of skills in areas that you are interested in. You will keep a record of the courses that you have attended through the certificates that you will receive on completion of each course if you have met the pre-planned skills. There are 3 levels of certificate which you could receive:

**Pass:** You have successfully met some of the skills.

**Merit:** You have successfully met the majority of the skills.

**Distinction:** You have successfully and consistently met all skills.

The courses at Honilands College have been divided into these 5 faculties:

				
<b>Global Issues</b>	<b>Personal Wellbeing</b>	<b>Science and Technology</b>	<b>Media and Communication</b>	<b>Creative Arts</b>
<i>Courses</i>	<i>Courses</i>	<i>Courses</i>	<i>Courses</i>	<i>Courses</i>

This prospectus contains all the courses available in each faculty. You will find a brief description of each course, as well as the skills that you will have the opportunity to develop by attending. Take time to read **each** course and think to yourself 'would I like the opportunity to learn that'? Once you have read the prospectus, follow the instructions on the back pages about what to do next.
